REMARKS

MAY 03 2007

Paragraphs 1-3 of the Office Action

The drawings are objected to under 37 CFR 1.83(a). The drawings must show  
5 every feature of the invention specified in the claims.

Claims 1-16 have been cancelled which removes the objection to the drawings.  
Withdrawal of the objection is respectfully requested by the applicant.

Paragraphs 3-14 of the Office Action

10 Claims 1-16 have been rejected on a plurality of combinations/sub-combinations.  
Claims 1-16 have been cancelled. Withdrawal of the rejection is respectfully  
requested by the applicant.

Paragraph 15 of the Office Action

15 Claim 17 is in condition for allowance. However, claim 17 has been amended to  
remove the material of which the feet are comprised. It is believed that this element has  
no bearing on the allowability of claim 17 and therefore claim 17 is still believed to be in  
condition for allowance.

CONCLUSION

5

In light of the foregoing amendments and remarks, early consideration and allowance of this application are most courteously solicited.

Respectfully submitted,

10
